

**JUNE 2017**

# **COUGAR CONNECTION**

***COLLINS BAY PUBLIC SCHOOL***

---

Dear Parents/Guardians

Our hard working students and staff are continuing their work in literacy and numeracy. We are so proud of the work that students and staff have done this year. We thank you for your continued support at home by reading on a daily basis with your children. Look forward to report cards at the end of June.

We continue our Collins Bay character education program, which highlights character traits such as responsibility, optimism, organization, co-operation, caring, courage, and kindness, and we will specifically focus on respect. Ask yourselves what does respect look like? Our students at Collins Bay can tell you a list of attributes that make character count. We have such a wonderful group of young people. Collins Bay students and staff care about each other and work to ensure everyone feels safe and respected. Ask your child about what good character means to them and how they show it every day at school and in our community.

Thank you to our School Council for their continuing support and promotion of a positive learning environment. Thank you for all you do for our school community.

Please join us at our Fun Fit Day activities on June 7.
