Ahead*

February 10th-14th, 2025

CBPS Families,

February is Black History Month, in which we celebrate, and honour, the contributions of Black people in Canada and around the world. Friday this week is Valentine's Day, for those who celebrate. If students are bringing Valentines to distribute, please ensure they have one for all students in their class. If you are planning to send in any treats, they need to be store-bought and labelled clearly as nut-free. We greatly appreciate your cooperation!

Thanks, and have a great week!

Monday, February 10th, 2024 (Day 5)

SAFE ARRIVAL ATTENDANCE SYSTEM

How to report a student absence using SafeArrival

There are three ways you can report your student's absence in advance:

1. Using your mobile device, download and install the SchoolMessenger blue app from the Apple App Store or the Google Play Store or from School Messenger website or you can

select it from within the LDSB mobile app. The first time you use the app, select Sign Up to create your account. Make sure you use the same email address your child's school has on file. If you do not use that same email address, you will not be able to create an account. You may have already created an account when we introduced the Communicate broadcast system. Select Attendance, then Report an Absence.

2. Use the School Messenger website. The first time you use the website, select Sign Up to create your account. **Please ensure you use the same email address your student's school has on file.** If you do not use that same email address, you will not be able to create an account. You may have already created an account when we introduced the Communicate broadcast system. Select Attendance then Report an Absence.

3. Call **1-855-257-9349** toll-free to report an absence using the automated phone system.
*****Please do not call the school directly to report your student's absence*****
